## Outsource Your Document Review

The right contract legal resources with the right credentials and experience your firm or corporation demands.

Free Consultation: 877-595-6464

With the accelerating increase in the amount Electronically Stored Information (ESI) in today's litigation environment, document review has become more complex and potentially a much more expensive stage in the litigation case lifecycle.

As a result, outsourcing your documents review requirements has become a very attractive alternative to maintaining your own internal staff.

### Attorney Solutions

Attorney Solutions, the attorney staffing division of Trial Solutions, works closely with you and your organization to find the right contract review attorneys with the right credentials and experience your firm or corporation demands. We can provide qualified document review attorneys of all skill and experience levels to fulfill your specific review needs.

### Geographic Flexible and Support

Attorney Solutions realizes that today's litigation environment requires geographic flexibility and support. Therefore, Attorney Solutions has the ability to provide the right solution with the right cost structure to fit your needs:

- Onsite teams for document review or trial preparation.
- Off-site teams for document review or trial preparation.
- Off-site and geographically dispersed teams utilizing the latest Online Review Tools (ORTs) for document review.
- Off-shore teams utilizing the latest Online Review Tools (ORTs) for document review.
- Individual attorneys or paralegals to complete discovery requests, research projects and other short term legal staffing work as may be required.

### 48 Hour Placement Nationwide

With support for most metropolitan areas, Attorney Solutions can have your contract resources selected, screened and placed within 48 hours of your request. We will verify credentials and complete criminal background checks ensuring the highest quality professionals are delivered on request.
